## International Post Graduate Program in **Advanced Dermatology**

The Organized Medicine  
Academic Guild of India

### Introduction

Elevate your expertise in dermatological science with OC Academy's immersive International Post Graduate Program in Advanced Dermatology. Designed for doctors seeking to advance their careers as dermatologists, this comprehensive 1-year online course provides a robust foundation and in-depth knowledge in the field.

The program consists of two distinct components, each offering unique and valuable perspectives on dermatological practice, as explained below:

### 1. Advanced Certification Course in Dermatology

This foundational course covers essential topics in dermatology, providing a solid base for advanced learning. It includes expert-authored e-learning materials, ensuring evidence-based knowledge for modern clinical practice.

#### Key Topics Covered:

- Autoimmune disorder Pemphigus
- Allergic Contact Dermatitis
- Psoriasis
- Leprosy
- Vitiligo
- Primary Cicatricial Alopecia

### 2. Advanced Interactive Program

The program features a rigorous and evidence-based curriculum designed to provide in-depth training across a spectrum of dermatological conditions. Professionals will acquire advanced knowledge and refine their clinical reasoning skills through a blend of didactic lectures, case-based discussions, and interactive learning modules.

The curriculum is accredited by CPD and OMAG (The Organized Medicine Academic Guild of India), ensuring the highest quality education and national recognition in dermatology.
